

## SAVE THE DATE

### **„Climate Action Summit“**

*EUTEC Forum on 7th of May in Munich*

*One-day Forum on SDG #13 "Climate Action" - concrete measures for climate protection in different industries!*

The **European Technology Chamber** (EUTEC) is very pleased to invite you to a special and high-ranking event on the **7th of May in Munich**. The event is called "**Climate Action Summit**" and will focus on the topic of climate protection. The event will take place in "**The Charles Hotel**" (Sophienstraße 28, 80333 Munich). The **registration** starts at **9.00 am** and the event will last from **9:30 am – 5:00 pm**.

You can look forward to interesting lectures all around the topic **climate protection**. Together we want to develop approaches and measures that can help European companies to make their **contribution** to the **protection of the earth and humanity**. To go even deeper into the matter of climate action, we will have **three different panels** in the afternoon program. All three will address the challenges of climate change to specific industries and areas.

In the end of the conference the **Climate Action Partnership** of EUTEC will be founded with the aim to tackle climate change through European technologies.

A fee of **150 EUR** plus VAT will be charged for **participation** in the conference. We would be very pleased about your participation and your **commitment to climate protection**.

Please find more information and the registration form on our homepage:
